HaH Users Group Research – Stay Tuned

- A team of researchers at the Icahn School of Medicine at Mount Sinai are looking to interview people about their experience taking care of a loved one during a Hospital at Home Stay.
- Separately, they will also be interviewing HaH Users Group program leaders about their input on caregiver experience and their expertise.
- IRB approval is expected in the coming weeks – ***Stay Tuned!***

Program Introductions

Q1

Suppose there is a power outage in a neighborhood where you are serving patients... How would you handle this situation?

Q2

How would you handle an emergency situation in which you are concerned that you will not be able to reach your patients' homes?

Q3

What do you do in advance to prepare for an emergency?

Q4

How are your HaH program emergency protocols integrated into your mother or sister hospital's emergency protocols?

Q5

How do federal, state and/or local emergency policies affect your HaH program emergency policies?

QUESTIONS
